

Logical Venn Diagram

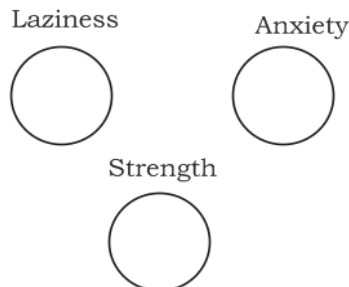

Solution

1. **Answer(C):**

So, Option 'C' satisfies.

2. **Answer(C):**

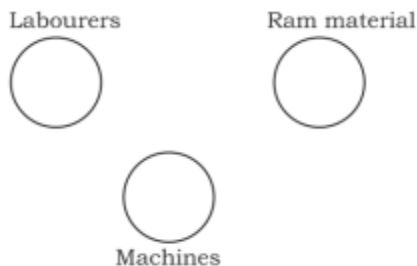

Clearly, venn - diagram in "C" represents the best relationship between the given classes.

So, option "C" satisfies.

3. **Answer(A):**

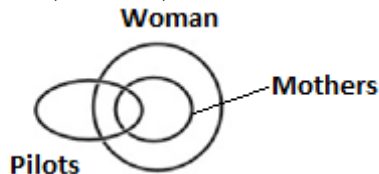

Raw material, Labourers, Machines

Clearly, venn - diagram in option "A" represents the best relationship between the given classes. So, option "A" satisfies

4. **Answer(C):**

Mothers, Women, Pilots

5. **Answer(B):**

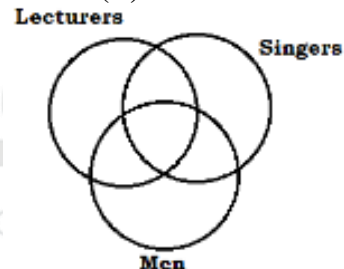

Nurses, Doctors, Pharmacists

Clearly, Venn-diagram in option "B" represents the best relationship the given classes.

So, Option "B" satisfies

6. **Answer(A):**

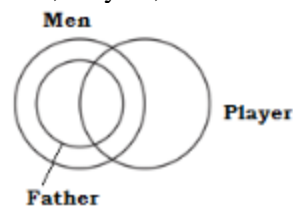

Clearly, Venn-diagram in option "A" represents the best relationships between the given classes.

So option "A" Satisfies.

7. **Answer(D):**

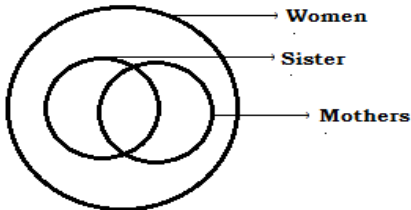

Men, Players, Fathers

Clearly Venn diagram in option "D" represents the best relationship between the given classes.

8. **Answer(C):**

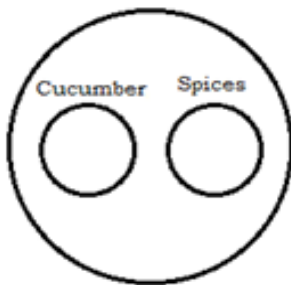

Women, Sisters, Mothers

Clearly, Venn-diagram in option "C" represents the best relationship between the given classes
So, option "C" satisfies.

9. **Answer(C):**

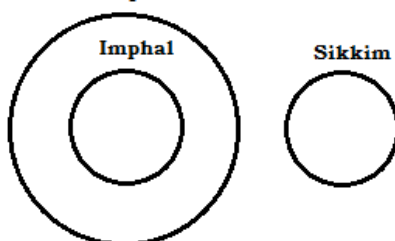

Food

Clearly, Venn-diagram in option 'C' represents the best relationship between the given classes. So, option 'C' satisfies.

10. **Answer(D):**

Manipur

Clearly, Venn-diagram in option 'D' represents the best relationship between the given classes. So, option 'D' satisfies.

11. **Answer(A):**

Universe

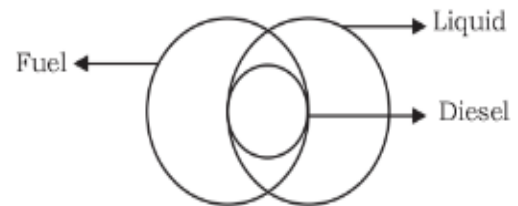

12.

Clearly, Venn-diagram in option "A" represents the best relationship between the given classes
So, Option "A" satisfies.

Answer(B):

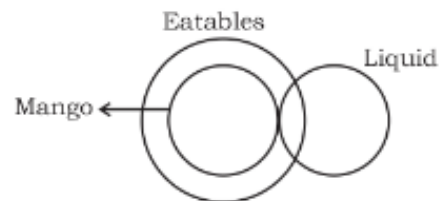

Fuel, Diesel, Liquid.

Clearly, Venn diagram in option 'B' represents the best relationship between the given classes.

13.

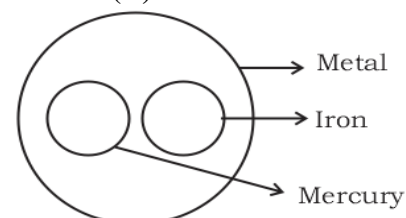

Answer(C):

Clearly, Venn-diagram in option 'c' represents the best relationships between the given classes.

14.

Answer(C):

Clearly Venn-diagram in option 'C' represents the best relationships between the given classes. So, option 'c' satisfies.

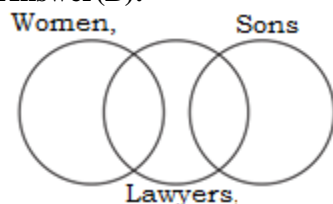

15.

Answer(D):

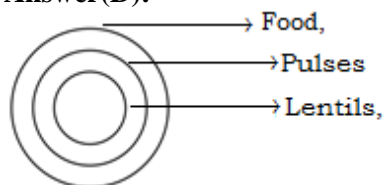

Clearly, Venn-diagram in option 'D' represents the best relation in given classes.

16. **Answer(B):**

Clearly, Venn-diagram in option 'B' represents the best relationship between the given classes. So, option 'B' satisfies.

17. **Answer(D):**

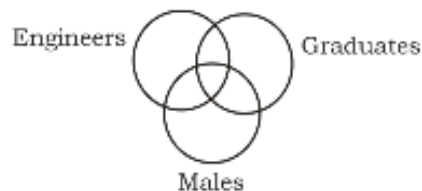

Clearly, Venn-diagram in option 'D' represents the best relationship between the given classes.

So, option 'D' satisfies.

18. **Answer(A):**

Engineers, Graduates, Males

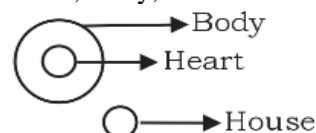

Clearly, Venn-diagram in option 'A' represents the best relationship between the given classes. So, option 'A' satisfies.

19.

Answer(A):

Heart, Body, House

20.

Answer(D):
